

CAPCLAVE 2026

RESTAURANT GUIDE ROCKVILLE, MD

Capclave Restaurant Guide 2026

Welcome to the eater's paradise that is Rockville. This restaurant guide includes restaurants mostly within easy walking distance of the hotel with a few "worth the trip" exceptions. Going South on the Rockville Pike (355) will take you to a couple dozen places in the Pike and Rose/North Bethesda area. Further South will take you into Bethesda with tons of places to eat. North on the Pike, which becomes Hungerford Ave, will take you to Rockville Town Center with lots of local restaurants, further up 355 will take you into Gaithersburg with even more restaurants.

Many good restaurants, especially ethnic ones, are in off-road "strip malls". The outsides may seem dodgy, but their food can be delicious. So where should you eat? We put *s next to restaurants we recommend. Let Capclave know if you like (or didn't like) a specific restaurant for future updates. Rockville is known for its Asian restaurants, especially Chinese.

And speaking of the Rockville Pike, be very cautious crossing it. Use the crosswalks and obey the walk lights. Cars speed and what looks like a clear road when you start crossing might not stay that way.

In keeping with Capclave's past policies, no restaurant in our guide lists dodo (fried, roasted, or stewed) on their menu.

Please be advised that at the convention, all individuals will be requested to wear a mask over their mouth and nose when not actively eating or drinking.
